SPECIALITY BEERS

CHIMAY - 7% £3.90 First brewed by the Trappist monks of Chimay in 1861. Topped with a creamy head, it gives off a light, fruity apricot taste: refreshing with a very slight touch of bitterness.
DUVAL - 8.5% £3.90 One of the world's great beers, Duvel means devil in Flemish and is certainly sinfully deceptive - light on body, pale in colour.
TIMMERMANS - 4% £3.90 Its flavour is entirely dedicated to the strawberry and the taste advances profoundly with the acidity being neutralised by its agreeably sweet and fruity bouquet.
LIBERTY ALE - 5.9% £3.90 An American "dry hopped" ale which is slowly fermented in sealed vats creating a distinctive bouquet and uncommonly delicate, entirely natural carbonation.
